Welcome to the 2010 Lake County Fair !!

County fairs are ingrained in the fibers of this country, and the 89th annual Lake County Fair is continuing a tradition of excellence. Where else could you go to get the great entertainment and competition of a county fair while instilling the community with family values.

The residents of Lake County can have confidence in the fact that the goals of the board of directors have changed very little over the past 89 years in regard to providing a place where childhood memories can be remembered and new memories with your family and friends can be realized.

The 89th annual Lake County Fair and its board of directors welcome you and encourage you to enjoy everything we have to offer, be it rides, live entertainment, exhibits or livestock. Don't forget to tell your friends and neighbors what a great time you had at the 2010 Lake County Fair.

CHARLES H. BRONSON, Commissioner
The Capitol Tallahassee, FL 32399-0800

Dear Friends,

Welcome to the Lake County Fair.

Fairs are a distinct part of our American culture and we hope you, you family and friends enjoy all the fair has to offer. Over five million people visit Florida's fairs each year to enjoy the exhibits, programs, music, rides and games.

The Lake County Fair provides an annual showcase for Florida's agricultural industry. Agriculture continues to be a major contributor to Florida's economy with an estimated overall economic impact of more than \$87 billion. Please take time to appreciate the efforts of youth groups such as FFA and 4-H. Many of these young people have spent months preparing the projects that you will see entered here.

As Florida's Commissioner of Agriculture, I have a profound appreciation for the positive impact that fairs and livestock shows have on the agriculture industry and I still share the same enthusiasm for the excitement and thrills these shows bring to our local communities. It is my pleasure to welcome you to the Lake County Fair.

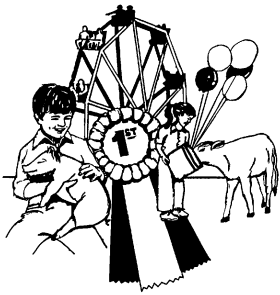

Sincerely,

A handwritten signature in cursive script that reads "Charles H. Bronson".
