Dear Agriculture Supporter,

The Lake County Fair is pleased to offer an exciting opportunity for the youth of Lake County to “grow their experience in agriculture”! Once again, the fair will host an annual *Youth Plant Show and Sale*. We are writing to ask for your support. Your sponsorship of this worthwhile program will make a positive difference in the lives of Lake County’s youth!

Participating in the Lake County Fair is a constructive experience. Students learn important life skills while gaining a more thorough understanding of and appreciation for Florida’s agriculture industry. Our goal is to provide students the opportunity to exhibit and sell at auction a plant project that they have grown as part of their participation in FFA or 4-H. Each “project” consists of a specific number, variety and size of plants.

In addition to selling their projects at auction, participants will earn points based on the quality of their project and their performance in various components of the program, including record books and a horticultural skill-a-thon. Premiums from sponsorships will be awarded to participants based on the total points they earn.

Your support toward this goal would be greatly appreciated and a worthwhile investment in today’s youth. To become a sponsor, please indicate your support below and return a copy of this letter and your check to: Lake County Fair, Post Office Box 221, Eustis, FL 32727. Checks can be made out to Lake County Fair. If you have any questions, please call us at (352) 357-7111.

Sincerely,

Bob Carlisle
